

ONEIRO MANAGEMENT GROUP

# ONEIRO PHARMACY

# ONEIRO PHARMACY – YOUR STERILE COMPOUNDING PARTNER

## Sterile Compounding Excellence

- USP <797>/<800> certified cleanrooms for safe, precise preparations
- Customized IV therapies: TPN, antibiotics, chemo, ophthalmics, critical care
- Rigorous QA: environmental monitoring, media fills, and sterility checks

## Reliable Support

- Same-day delivery with 24/7 pharmacy assistance and RN support
- Full equipment supply: infusion pumps, PCA pumps, IV poles, elastomeric pumps
- Comprehensive tracking and documentation for full compliance

## Home Infusion & Patient Care

- 24/7 nurse access for patient education and troubleshooting
- Hassle-free delivery of IV supplies, pumps, and medications to homes
- Seamless coordination with providers to ensure continuity of care

## REGISTERED NURSE SUPPORT FOR OUR PATIENTS

### 24/7 Clinical Access

- Patients can reach a licensed RN anytime for infusion guidance and urgent questions.
- Immediate support reduces complications and ensures safe therapy at home.

### Medication & Vaccine Support

- Nurses assist with understanding dosing schedules, proper medication handling, and administering vaccines.
- Available at patients' homes, assisted living, SNFs, and other care facilities.

### Ongoing Patient Follow-Up

- RNs monitor patient progress regularly to address concerns early.
- Coordination with providers ensures smooth, continuous, and effective care.

# NORTHERN CALIFORNIA DELIVERY – SAFE, RELIABLE, AND 24/7/365

## Comprehensive Regional Coverage

We deliver all medications including immediate antibiotics, controls, sterile, non-sterile, IV supplies, and equipment to assisted living facilities, SNFs, hospitals, clinics, and patients' homes across Northern California.

## Reliable LTC Pharmacy Delivery Across Northern California

Our LTC-focused delivery ensures that residents and patients receive their medications and supplies on schedule, supporting continuity of care. We provide 24/7/365 service for urgent requests, emergency needs, and last-minute deliveries. Every order is carefully monitored to guarantee accuracy, compliance, and patient safety.

## Why Choose Us

We specialize in long-term care pharmacy services, providing tailored support for assisted living facilities, SNFs, hospitals, clinics, and patients' homes. Our team is dedicated to ensuring timely delivery, seamless coordination with care providers, and reliable, patient-centered service every day of the year.

# COMPETITIVE PRICING & MEDICARE PART B BILLING

## Affordable, High-Quality Care

We offer competitive pricing on all Medications, IV supplies, and pharmacy services, ensuring cost-effective solutions for long-term care facilities, hospitals, and patients' homes. Our goal is to deliver exceptional quality while helping you manage pharmacy costs efficiently.

## Medicare Part B Billing

Oneiro Pharmacy can bill Medicare Part B for eligible medications, simplifying reimbursement for providers and facilities. This ensures smooth, compliant billing and reduces administrative burden while maintaining timely access to medications for patients.
